- one dose of Meningococcal Vaccine

Tb testing is required for those entering a school system in the U.S. for the first time if born in a high Tb incidence country or those transferring to a N.J. school system directly from a high Tb incidence country.

The required History and Physical form is in your Registration Pack. Your child's doctor can use the lower portion of this form to record the Immunization record or an office printout will be accepted.

Please contact the Nurse's office at (908) 322-4265 with any questions.

Thank you.
